Dear Al:

I believe you will be amused by the enclosure to the attached copy of a letter from Professor H. Owen Long of Kentucky Wesleyan College regarding the "Arborigines (sic) Alliance Movement."

I was delighted to learn from Miss Ann Bishop (?) that you had the support of the "Arborigines Alliance Movement!"

We merely advised Mr. Long that we do not have any information on the A.A.M.

With your approval, I should like to present this document to an early meeting of "Alibi."

Faithfully yours,

/S/ Allen
